

Gold to Cryptomining in Mongolia

Discover one of Asia's most under-explored regions of Mongolia. Occupying over one million square kilometres of land (roughly the size of Alaska), Mongolia is one of the last untamed wilderness frontiers. It's a land of extremes, offering snow-capped mountains, verdant plateaus, silver flowing rivers, and remote, windswept desert.

Once isolated from the world, today Mongolia has opened its borders, welcoming travellers from around the world who are seeking wild landscapes, extraordinary history, and rugged adventure. Visitors are encouraged to experience Mongolia's nomadic culture first hand with an unforgettable homestay.

Embrace your inner nomad for 3 Nights and 4 Days in this timeless place.
