

# Underground to High Skies in Cappadocia

---

The region of Cappadocia is located in the middle of a once-active volcanic area of central Anatolia.

It offers visitors an extraordinary and lavish banquet of natural wonders that exceed their wildest imaginations. These wonders are elegantly graced with works created by the hand of man. With its unique natural features displaying a harmonious combination of natural and cultural landscape elements, Cappadocia is an enchanting open-air museum and an unparalleled example of the common cultural heritage of humanity.

For 3 nights and 4 days, let's explore Cappadocia together!

# Underground to High Skies in Cappadocia- Day 1
